Student Body 2004

"To give every person in India one fair chance to respond to the Gospel"

In 1971 the Lord called me for full time Ministry. In obedience to His call I endeavoured in taking the printed Gospel to house to house and village after village throughout Andhra Pradesh, Orissa and in Andaman and Nicobar Islands. Along with that I travelled to various places Screening Gospel films, conducting Gospel meetings, organizing prayer meetings, open air preaching and doing indepth follow-up work. This way I covered 3000 villages with the Gospel. Successfully with in a span of **28 years**. After attending **GCOWE** conference in Seoul, Korea in 1999, the Lord clearly spoke to me about the need of equipping saints for the ministry in India as per His word in, Eph. 4:11-12

In obedience of His call I started Bible School with a minimum of 60 students. Yes, God approved and blessed the school. We had about 838 Graduates by the end of 2004. They all were well trained and committed sucessfully engaged in the ministry of the church as Pastors, Evangelists, Bible Teachers and Church Planters in various capacities bearing eloquent testimony to the relevance of the ministry.

This academic year 2005, we had already established **15 Bible Schools** in different Cities and Towns of India and the number of students are around **seven hundred**. Since the Lord is at work here in India, we need to open another **85 Bible Schools**, in order to equip **10,000 Workers** to be sent out to the unreached people in India. **Good News Bible Training College** turns out hundreds of worthy applicants for the lack of facilites and funds. As the Lord guides and provides this ministry must go on and the Lord's people every where are exhorted to pray in order to fulfill this **awesome** task. It is a God given privilege for us to be a Co-Partner with **Jesus** in this **wonderful ministry**, which brings glory to God.

I solicit your earnest prayers and support for India.

Looking forward to hearing from you.

Thanking you,
Yours in His Eternal Bonds

Rev. Dr. G. Jaya Sekhar

WHAT IS GNBTC :

Good News Bible Training College geared up to Train nationals with sound Biblical doctrinal knowledge and impart practical training for the work of local Church ministry in India. We believe that character development is a **legitimate** concern towards the Biblical perspective. As the Lord guides and leads, this ministry must go on and the Lord people every where are exhorted **"to do the work of an Evangelist"**.
II Tim. 4:2-5

MISSION INDIA :

India will soon be the largest nation on earth and we see less than 2% of its people are Christians. India contains more unreached people than any other nation in the World. There are so many linguistic groups who never heard the name of Jesus at least once in their life. "To give every person in India a fair chance to see the Truth of the Gospel and respond to the Gospel, when they meet Jesus their Joy is boundless. As Christianity takes hold on a country such as India, long-standing problems deminish and entire social systems are touched by the healing hand of the Living God.

PROJECT F.T. 10,000 (FINAL THRUST) :

GNBTC, brings Harvest in action, in order to establish 100 Bible Schools in selected towns and cities in India, to train 10,000 workers by next 2010. "A Church for every people and the Gospel for every Person". Together we can change India from idol worship to worshipping the Living God.

Achievements so far :

The graduates numbering 835 of GNBTC until 2004, scattered throughout India are fully engaged in the service of the Church as Pastors, Evangelists, Bible Teachers, and Church Planters in various capacities bearing eloquent Testimony to the relevance of this ministry and God's grace upon it. GNBTC - has proven record of excellence and remarkable growth with in a short period, the Word of God increased, number of students trained disciples multiplied and the Churches were edified we praise God for the same.
